What is FBLA?

Future Business Leaders of America (FBLA) is the largest and oldest business student organization in the world! Students in FBLA learn business and leadership skills through fun activities, interactive workshops, and motivational speakers. FBLA members participate in community service activities, work together to plan and organize events, compete in business competitions, and attend local, state, and national conferences.

If you are interested in developing leadership, communication, and team skills, or simply looking for an organization to meet and network with others at North Paulding, in the State of Georgia, or across the nation, then FBLA is the organization for you!

All Payments - RevTrak

Ms. Harrill – Room 615

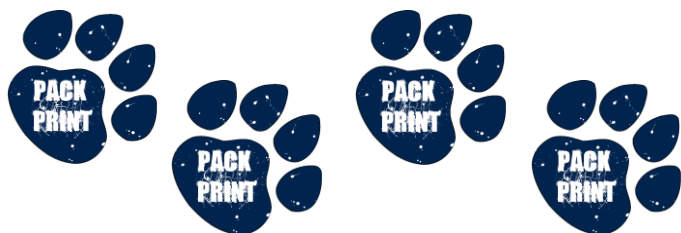

Future Business Leaders of America

Leadership Skills ★ Community Service ★ Business Knowledge ★ Travel ★ Competition ★ Honors ★ Networking

Pack Print Business

FBLA Members and Business Students operate the school Pack Print business through Work-Based Learning. Through participating in the business, students learn layout and design skills, how to operate a business, customer service skills, and product and production knowledge. This gives students the opportunity for an internship to include on their resume.

The Pack Print Business benefits Future Business Leaders of America and reduces the cost of students attending conferences and competitions.
